Forecast for Monday 01 May 2023

Weather: Rather cloudy morning with patchy light rain, focused north of Ben Vrackie and turning to snow at highest levels early morning, with snow level lowering to around 800m by noon. Snow and rain clearing south and east early afternoon with a mix of brighter spells and isolated light showers for the rest of the afternoon with snow level around 400m for evening.

Chance of cloud-free hill tops above 800m: During the morning ranging from 20% in north and 50% in south, becoming 80-90% from mid-afternoon.

Low Cloud and visibility: Good becoming moderate or poor in rain, very poor in snow and within cloud with bases quite extensive down to 500m at first, infrequently so from mid-afternoon.
